FOR IMMEDIATE RELEASE:

The New York April Fools' Committee is Proud to Announce

NEW YORK CITY'S 27th ANNUAL  
APRIL FOOLS' DAY PARADE

**"Occupy Washington Square Park!"**

Veteran prankster [Joey Skaggs](#) has announced [New York City's 27th Annual April Fools' Day Parade](#), scheduled for April 1. This year's theme is "Occupy Washington Square Park."

For three decades, New York City's Annual April Fools' Day Parade has offered the public an opportunity to express, in a comical way, its outrage against the foolishness of mankind. Thousands of participants in look-alike costumes with satirical floats creatively mock the thoughtless, corrupt and selfish acts of the past year. Kicking off at noon on Sunday, April 1, the parade will march down 5th Avenue from 59th Street to Washington Square Park where revelers will party to demonstrate against new rules that restrict the First Amendment rights of performing artists in the park. It will conclude with the annual crowning of the King of Fools. Spread the word!
