Fake Alycia to be part of New York's April Fools' Day Parade

[Email this post](#) | [Back to Blog home](#)

An **Alycia Lane** impersonator in a thong bikini is expected to be part of today's April Fools' Day Parade down Fifth Avenue in New York, [reports Page Six](#). Joining the fake Lane will be "**President Bush** and his Cabinet, who will be given a 60-second head start, then pursued by an angry mob. "**Michael Vick** will be taking bets on his Dog Fight Float with caged, snarling pit bulls," prankster **Joey Skaggs** who stages the annual parade tells Page Six. "A Tourette's Syndrome Float will feature radio personality **Don Imus**, political pundit **Ann Coulter**, and **Dog the Bounty Hunter** - all shouting obscenities at the crowd, says Page Six of the parade at which "every year, news camera crews show up."

I think it's all in fun and anything that screams Alycia Lane is alright in my books. Rock on Alycia!

There is no such thing as a "real" Alycia Lane. It's all phony.
