

A cutout mask of Vladimir Putin's face, designed for use as a costume mask. The mask is white with a dotted black outline. The word "MONSTER" is printed in large, bold, black, sans-serif capital letters across the eye area. The eyes themselves are represented by two white, almond-shaped cutouts. A small icon of a pair of scissors is located at the bottom right of the dotted outline, indicating where to cut. The background is plain white.

MONSTER
