

A cutout of Vladimir Putin's face, centered on a white background. The cutout is defined by a black dotted line. The word "TYRANT" is printed in large, bold, black, sans-serif capital letters across the forehead. The eyes are replaced by two white, almond-shaped cutouts. A small icon of a pair of scissors is located at the bottom right corner of the dotted line, indicating where to cut out the mask.

**TYRANT**
